CHRISTCHURCH – HOW TO FIND US

Woking is conveniently located to the south west of London only 10 minutes from the M25 and A3.

Parking: can be easily found at one of the many town centre car parks just a few minutes walk from the conference centre. Parking is marked on the map below with a blue P.

If arriving by car: the nearest car park is the Victoria Way Car Park, off the A320, Victoria Way, next to the Holiday Inn.

From M25 direction: proceed along A320 towards Woking Town Centre. At MRO software roundabout, stay on A320, road becomes dual carriageway. Take left slip road into Victoria Way Car Park next to Holiday Inn.

From Guildford direction: take A320 to Woking Town Centre. Drive under railway arch, pass the fire station, the Peacocks shopping centre and the Lightbox on A320 and proceed to roundabout at end of dual carriageway (by MRO software). Go right round the roundabout back onto A320 in opposite direction; immediately take left hand slip road into car park by the Holiday Inn.

From the car park: proceed on foot to Church Street East, emerge opposite the HG Wells Centre, turn right and proceed toward the Town Gate. **Before 9am and after 5.30pm please use the South Entrance:** follow directions above and on your left you will see Church Street East and the Church building. Proceed up the road and follow the drive to the South Entrance. Push the 'out of hours' button and someone will kindly let you in. **Between 9am and 5.30pm please use the front entrance through Origin Bookshop:** ChristChurch is directly after BHS; go past the Town Gates and follow the building round to tee front; the main entrance is directly opposite the entrance to Wolsey Place Shopping Centre.

If arriving by bus: arrive at bus stop either opposite or adjacent to Woking Station. Make your way to the steps by NatWest bank, by the station canopy. Then follow directions as though coming by train.

If arriving by train: exit the station on the North Side (nearest platform 1), cross the road and head towards NatWest where church path begins. Turn right down Church Path to junction with Commercial Way. Turn left down commercial way and turn right into Wolsey walk just before Foxtons. ChristChurch is on your right, opposite the entrance to Wolsey Walk.
